October 5, 2011

On July 6, 2011, Statement of Benefit Charges, Form UI 87A and Reimbursable Benefit Charges, Form UI 87R were mailed to employers whose account was charged for unemployment insurance benefits paid during the second quarter of 2011. Unfortunately there was a computer programming error and erroneous data was printed on some of the documents. A letter advising you of this error was mailed July 13, 2011.

The system has been updated and Form UI 87A or UI 87R, enclosed with this letter, reflects benefit charges for both the second and third quarters of 2011 to your account.

Employers receiving a UI 87A – This form is your statement for both the second and third quarters. The benefit charges on this form will be included in the Combined Tax Rate calculation for calendar year 2012.

Employers receiving a UI 87R – This form is your billing statement for the second and third quarters. The due date for payment is November 10, 2011. Payments that were made prior to this billing have been processed and are reflected in the amount owed on this statement.

We apologize for any inconvenience this may have caused. Should you have any questions regarding the benefit charges on the enclosed form, please contact our Benefits Section at 402.471.9812 or 402.471.8343.
